## Truck TabPro

Bidirectional  
All-in-one Truck  
Wireless Professional  
Diagnostic Scan Tool  
Android Tablet Kit

# **F7SN Truck TabPro Tablet**

The F7SN is a quick and powerful all-in-one wireless Android diagnostic tablet ideal for domestic auto, light truck, HD truck, and off-road equipment diagnostic professionals, fleet maintenance staff, and road service professionals. All software is preloaded with diagnostic code descriptions, live data, calibration and bidirectional functionality

## **Diagnostic functions:**

- Scan vehicles and ECU
- Read/clear fault codes
- Display/analyze all sensors live data stream with graphing
- Actuation test

## **Advanced functions:**

- Cylinder cutout
- Injector coding
- DPF regen & reset
- Bidirectional parameters reset and adjustment
- Oil change reset
- Maintenance light reset

## **Communicates with:**

- ✓ CAN
- ✓ J1587
- ✓ J1708
- ✓ ISO9141
- ✓ J1939
- ✓ OBD II
- ✓ ISO15765

**Industrial 10.5" HD Android touch screen**

**Industrial quality WIFI/Bluetooth**

**Remote support via TeamViewer**

**Wireless diagnostics**

**User friendly interface**

**Data recording and playback**

**Diagnostic and vehicle data report to PDF and Excel**

**Cloud printing**

**Built-in internet browser and Email capability**

# F7S-N Master TabPro | Make & Model - Coverage

F7S-N MasterPro covers heavy & medium-duty OEMs (Class 1 – 8)

## INCLUDED OFF-ROAD EQUIPMENT COVERAGE

### CUMMINS POWERED

- Read and clear fault codes
- Read freeze frames
- Scan and display sensor live data
- Actuation tests and calibrations
- (Cylinder cut off, DPF and reset functions)

### CAT POWERED

- Read and clear fault codes
- Read freeze frames
- Scan and display sensor live data
- Actuation tests and calibrations
- (Cylinder cut off, DPF and reset functions)

### DETROIT POWERED

- Read and clear fault codes
- Read freeze frames
- Scan and display sensor live data
- Actuation tests and calibrations
- (Cylinder cut off, DPF and reset functions)

### HINO POWERED

- Read and clear fault codes
- Read freeze frames
- Scan and display sensor live data
- Actuation tests and calibrations
- (Cylinder cut off, DPF and reset functions)

### PERKINS POWERED

- Read and clear fault codes
- Read freeze frames
- Scan and display sensor live data
- Actuation tests and calibrations

### VOLVO POWERED

- Read and clear fault codes
- Read freeze frames
- Scan and display sensor live data
- Actuation tests and calibrations
- (Cylinder cut off, DPF and reset functions)

### ISUZU POWERED

- Read and clear fault codes
- Read freeze frames
- Scan and display sensor live data
- Actuation tests and calibrations

### HITACHI POWERED

- Read and clear fault codes
- Read freeze frames
- Scan and display sensor live data

### NEW HOLLAND OR JOHN DEERE

- Read and clear fault codes
- Read freeze frames
- Scan and display sensor live data
- Actuation tests and calibrations (coming soon)

F7S-N MasterPro covers automotives OEMs

*Bonus pack -Passenger vehicles (from 1992 to recent)*

### America

- |             |           |
|-------------|-----------|
| • Buick     | • GMC     |
| • Cadillac  | • Lincoln |
| • Chevrolet | • Jaguar  |

# F7S-N TruckPro | Bi-Directional - Parameter Reset, Tests, and Calibration Functionalities

## INCLUDED MEDIUM-DUTY/HEAVY-DUTY TESTS

### CUMMINS

- Cylinder cut out
- DPF service forced regen
- Trip reset
- Aftertreatment reset
- Fuel injector reset
- Fuel injector calibration
- VGT hysteresis test
- VGT calibration and installation
- Fuel leakage test
- DEF doser pump override
- Idle shutdown timer reset
- Cruise speed limits and governor setting
- PTO settings
- Transmission setup
- Another 100 more functions available see our Cummins details page

### INTERNATIONAL

- Cylinder cut out
- DPF service forced regen
- Transmission Setup
- Engine Warn Protection System
- Road Speed limiting/Cruise Control
- PTO setup
- Speedo,Tire,Axle Setup
- Progressive Shift
- Idle Shutdown Timer
- Engine Fan
- Momentary Road Speed Limiting
- Service Interval
- O2 Sensor Calibration
- Injector Quantity Adjustment
- More testing, calibration, reset function see our International functions page

### MACK & VOLVO

- Injector Cut Out
  - Cylinder Compression, Test
  - Learned Data Reset
  - Oil Pressure Test(During Cranking)
  - Cylinder Balancing, Test
  - Draining Water in the Fuel, Test
  - Engine Brake Function, Test
  - DPF Service Forced Regen
  - Parameter Programming
    - Engine speed/governor/torque limit reset
    - Idle shutdown timer reset
    - Injection control
- More testing, calibration, reset and programming functions available, see Volvo page for more.

### DETROIT & MERCEDES

- Cylinder cut out (auto and manual)
  - DPF forced regen
  - SCR System - output component test
  - SCR ADS self check
  - Idle Shutdown enable/disable & time set
  - DPF ash accumulator reset
  - Road speed limits
  - Cruise control speed limits
  - PTO setup
  - Injector coding
  - Fan diagnostic
  - FIS low pressure leak test
  - Progressive shift
  - Inputs and outputs
- More functions on Detroit details page

### CATERPILLAR

- Maintenance intervals setup
  - Injector coding
  - Cylinder cutoff
  - Vehicle Speed Parameters setup
  - Cruise Control Parameters setup
  - Idle Parameters(Old PTO)
  - Dedicated PTO Parameters setup
  - Engine/Gear Parameters setup
  - Timer Parameters setup
  - Smart Idle Parameters setup
  - Engine Monitoring Parameters
  - Trip Parameters setup
  - System Settings
  - Throttle knob engine speed
- \*More programming functions available

### ISUZU

- DPD Forced Regeneration
  - DPD Regeneration Data Reset
  - MAF calibration data service mode
  - Clear learned supply pump data
  - Reset fuel pump calibration
  - Idle speed
  - Read all injector coding
  - Write injector data
  - Compression testing
  - Idle RPM comparison
  - High voltage test
  - Accelerated testing
  - Cylinder fuel cut test
- \*100 more reset, programming, testing functions available.

### HINO

- DPR status check
  - DPR state reset
  - DPR Forced Regeneration
  - DPR Differential Pressure Check
  - Intake Air Volume Check
  - EGR Check
  - Fuel Leak Check
  - Check Turbocharger
  - Total idle time
  - Total PTO operations time
  - Total engine operations time
  - Trip travel distance
  - Trip engine operations time
  - Trip idle time
- More functions available, see Hino page

### MITSUBISHI FUSO

- DPF Regeneration(Manual)
  - Cylinder Cut Out
  - ECU RESET
  - Reset Engine oil
  - Reset Fuel injector
  - Reset Pressure limiting valve in rail
  - Reset Rail pressure sensor
  - Reset Oxygen sensor
  - Reset Hot film mass air flow sensor
  - Reset Turbocharger
  - Reset BlueTech
  - Reset DPF
  - Reset Engine oil
  - Reset service interval
- More functions available, see Hino page

### JOHN DEERE

- Scan engine
  - Read/clear fault codes
  - Scan and read all live data from sensors
  - DPR Forced Regen (coming soon)
  - Cylinder cut off (coming soon)
- More calibration, reset, and programming coming soon

**ALLISON**

- Read/Erase Fault Codes
- Read Sensor Live Data
- Solenoid Test
- Reset Adaptive Shift Parameters
- Reset Fast Adaptive
- Reset Throttle Calibration
- Lamp Tests
- Reset Auto-Detect
- Reset Auto Detect Retarder
- Reset SEM Auto-Select
- Reset Prognostics Information
- Reset Oil Life Monitor
- Reset Transmission Monitor
- Input parameters modify
- Output parameters modify

**BENDIX**

- Read ECU Information
- Read Fault Codes
- Erase Fault Codes
- Read Sensor Live Data
- Actuation Test
- Controller Configuration
- Rest ABS Controller
- Dyno Mode

**ZF**

- Read ECU Information
- Read Fault Codes
- Erase Fault Codes
- Sensors Live Data
- Actuation Tests and Calibrations

**WABCO**

- Tractor ABS Diagnosis
- Hydraulic ABS Diagnosis
- Read ECU Information
- Read Fault Codes
- Erase Fault Codes
- Live Data
- Actuation Tests and Calibrations

**WABASH**

- Read ECU Information
- Read Fault Codes
- Erase Fault Codes
- Sensors Live Data
- Actuation Tests and Calibrations

**INCLUDED MEDIUM-DUTY FUNCTIONALITY & TESTS****FORD TRUCK**

- Read and clear fault codes
- Read freeze frames
- Read sensor real time live data
- Display emission test results
- Enables support for OBD-II emissions fault data
- Cylinder cut out
- DPF forced regen or reset

**GM TRUCK**

- Cylinder cut out
- Read and clear fault codes
- Read freeze frames
- Read sensor real time live data
- Display emission test results
- Enables support for OBD-II emissions fault and data
- DPF service regen
- Power balancing

**SPRINTER**

- Cylinder cut out
- DPF forced regen or reset
- Read and clear fault codes
- Read sensor real time live data
- Display emission test results
- Compression test
- Injector quantity adjustment
- Mass air flow sensor initialization
- Initialize rail pressure
- Instrument cluster tests: Oil change reset, display dimmer test routine, gauge sweep test, LCD display test routine, speaker test routine.

**CHRYSLER PICKUP**

- Read and clear fault codes
- Read freeze frames
- Read sensor real time live data
- Display emission test results
- Enables support for OBD-II emissions fault data
- Cylinder cut out
- DPF forced regen or reset

**NISSAN UD**

- Cylinder cut out
- Read and clear fault codes
- Read freeze frames
- Read sensor real time live data
- Display emission test results
- Enables support for OBD-II emissions fault and data
- DPF service regen
- Power balancing

**RAM TRUCK**

- Cylinder cut out
- DPF forced regen or reset
- Read and clear fault codes
- Read sensor real time live data
- Display emission test results
- Compression test
- Injector quantity adjustment
- Mass air flow sensor initialization
- Tire pressure sensor test

# F7S-N Truck TabPro Diagnostic Scanner Kit

## F7SN retail package kit

- ✓ Main handheld unit
- ✓ Adaptors:
  - Self test
  - OBD II-16
  - Diesel 6/9 (type 1 and type 2)
  - Cat 9 machinery
  - Volvo 8
- ✓ Cables
  - Main cable (DB15) 3 feet
  - Battery clip and plug
  - USB data cable

- ✓ Jumper box set
- ✓ Accessories
  - AC power adaptor
  - Fuse
- ✓ Manual/Warranty card
- ✓ One-year hardware manufacturer's limited warranty
- ✓ Two-year software updates

## F7SN Truck TabPro Product Details

Shipping weight	30 pounds
Shipping dimension	26"x18"x8"
Shipping region	Within U.S.A.
SKU	USS-017-F7N
UPC	649906330479
Part no	FCAR-017-F7N
